

Intouch offers a sleek yet simple lumbar system, plus a host of other practical features. All said, Intouch

is a design-based ergonomic solution that gives users control of their own comfort and well-being.

Lumbar Support

Slides up or down for custom support that can effectively disperse pressure to the back.

Adjustable Armrest

Height adjustable armrest that firmly support elbows and eliminate fatigue due to long hours of sitting.

Mechanism

Metal synchronized mechanism with 3 lockings system allows separate tilting of the backrest and seat in 3 different angles to ease your movement for different postures.
